Asaba,
Delta State.

Offer of Free Office Space

Dear Dr. M. Mekwuye,

We are pleased to inform you that our organization is making available office space and facilities for your academy's use at no cost.

This gesture is in recognition of your Academy's humanitarian main functions in capacity strengthening, learning and development, and research and talent development to equip individuals and organizations to respond effectively to crises.

We are aware that you achieve this by providing training programs, high-quality learning opportunities, and immersive experiences to build skills and support the humanitarian sector's overall effectiveness and sustainability.

The office space includes furnished office room, internet facility, electricity, furniture, reception access, etc.

We trust this contribution will support your academy in expanding its operations and continuing to make a positive impact.

Please consider this letter as a formal confirmation of the arrangement. Should you require any specific modifications, arrangements, or additional support, do not hesitate to contact us.

We look forward to a successful collaboration and to seeing your academy flourish in its new space.

Best regards,

Amb Dr Eris Jewo -Ibi,
Chairperson, AACSGBV

Miss Charity Akpotaire
Secretary, AACSGBV
